

**Dear University Presidents, Dear Ladies and Gentlemen,
Dear Friends!**

The 19th Chinese-Austrian-EU Summer School will take place in Salzburg (Austria), Vienna (Austria), Prague (Czech Republic), Heidelberg (Germany), Paris (France), Strasbourg (France), Reims (France) and Venice (Italy) from

July 16th to August 13th 2020

There will be additional trips to Versailles (France) and Hallstatt (Austria).

Since the year 2002, the Chinese Studies Center of the University of Salzburg in cooperation with the Eurasia-Pacific Uninet (EPU) has been annually organizing the Chinese-Austrian-EU Summer School for students from the Chinese member institutions.

Application deadline: 1st of April 2020

The universities are going to be matched in different groups. The decision, who is going to be in which group, will be made when all nominations from all participating universities are in (after the 1st of April).

Requirements and participants

The Chinese-Austrian-EU Summer School is directed towards students who want to deepen their knowledge about Europe in general and Austria in particular.

Since all the lectures are held in English, having a good command of written and spoken English is a basic prerequisite for participation. Responsible contact persons from our member institutions have to make sure that the English language abilities of the selected students are meeting this minimum requirement.

特别注意：为了确保学生能有足够的能力，顺利完成暑期学校的学习任务及考试，请负责招生的老师，一定要注意确保所招收学生的英语水平达到一定标准。

Please note

We also have an additional reading requirement for our participating students:

Stefan Zweig: “Decisive Moments in History”

The content will be discussed and tested during the Summer School.

Program and itinerary

(Please find a draft for this year’s program as reference point)

The program of the Chinese-Austrian-EU Summer School includes lectures in Salzburg, Vienna, Heidelberg, Paris, Venice and Strasbourg.

Only in case of a severe problem we can make an exception, otherwise the attendance in the official program (includes lectures, daytrips and also the main sightseeing program) is mandatory.

Flights

Since participants in 2015 suggested it would be easier and more convenient for the students to book their own flights, we have made the decision to have the pilot in 2016 and the students had the possibility to book their own flights.

Since the students were really happy to choose their own flights, we will continue this year in the same way.

As every year, we will of course arrange a shuttle bus that picks up the students from the Airport (in Munich, Paris and Vienna – depending on the group they are in). Of course, the European group leaders will be at the Airport with the busses to pick up the students from their European destinations.

Costs

The costs for the summer school are **3.300,- EUR** (without flight costs and bank fees).

This includes accommodation (double rooms/including breakfast), lecture fees, insurance, transportation as well as the costs for the sightseeing trips.

Single rooms

Accompanying teachers or students, who wish to stay in a single room, may do so under an extra charge. We will inform you about payment procedures after we receive your nomination.

The deadline for the payment of the program fees will be the 15th of April 2020.

We also must inform you about our cancelation fees

If a student decides to drop out after the 1st of May but before the 30th of May, we withhold 25% of the costs.

For any drop outs between the 1st and the 30th of June, we will claim 50% of the program costs.

After the 30th of June, we are claiming a 100% cancelation fee.

Nomination

If your university is interested in having your students participate in the summer school, I kindly ask you to nominate a contact person/coordinator.

Please send an **excel list** of the students (in **alphabetical order**) and also a scan of the students' passport (if they have to make a new passport, you can hand in the passport number later) with the following information no later than **April 01st 2020** to Adis.Serifovic@sbg.ac.at

Please make a list as follows (Excel list)
