### Linguistics:

<https://linguistik.philol.uni-leipzig.de/en/study-programs/master-of-arts/#c27124>

All programs are open to exchange students.

There are some programs at the University of Leipzig where single courses are offered in English but this depends on the semester course list which will be decided only several weeks prior to the semester start. Advanced undergraduate students are eligible to take graduate courses within an exchange period.
