

## SEMESTER EXCHANGE PROGRAM 2021-2022

Students having completed at least three years of higher education at a partner institution are eligible to an exchange program at CentraleSupélec. They will have the possibility to follow the Fall and/or Spring semester of the 2nd year of our Engineering Curriculum (Masters' level), on one of our three campuses: Paris-Saclay, Rennes or Metz.

### FALL SEMESTER (S7) STRUCTURE:

**NB: Courses are mainly taught in French in the Fall semester. In case you haven't reached a B1 level in French, you may consider applying for the Spring semester instead.**

- **1 intensive course** (1 week) scheduled for early September: *Business Games* (2,5 ECTS)
- **First term (ST5):**
  - 1 Engineering Challenge Term topic (5 ECTS)
  - 2 Common core courses: *Automatic Control* (2,5 ECTS); *System Modelling* (0 ECTS)
- **Second term (SG6):**
  - Up to 3 elective courses (3 x 2,5 ECTS)
- **Several "semester-long" courses:**
