Postgraduates: 1-9 months
Postdocs: 1-6 months

Grant benefit paid:
Supplementary grant, own funds are required!

1) Monthly grant rate
a) for postgraduates: EUR 1,050
b) for postdocs: EUR 1,150
2) Accommodation, health insurance
   a) It is possible for OeAD scholarship holders to book accommodation (dormitory or apartment) with the OeAD Housing office. The monthly costs are:
      - monthly rent: EUR 250 to 600 EUR (depending on the amenities)
      - monthly administrative fee: EUR 18
   b) OeAD scholarship holders need to have health insurance that is accepted by the Austrian authorities for the duration of their stay in Austria. The OeAD can help with taking out such insurance. The monthly costs can vary, at the moment you should calculate EUR 55 to 200 (depending on your age, scholarship category and state of health).

Scholarship holders have to pay the costs for accommodation and insurance themselves.

   c) Applicants from non-EU/EEA countries who are planning a research stay of more than 6 months: If your monthly costs for accommodation in Austria exceed EUR 300, you may need to provide proof of additional funds to the Austrian residence authority when you apply for your residence permit. This figure may vary depending on your individual costs for health insurance and other liabilities.

3) Grant holders do not have to pay tuition fees in Austria. They might have to hand in a request at the rector’s office of their respective host university and demonstrate that they are studying or doing research in the context of transnational EU, national or university mobility programs.

4) Scholarship holders from non-European developing countries will also receive a travel costs subsidy of max. EUR 1,000.

**Language proficiency:** depending on their study/research project, applicants have to prove good knowledge of English and/or German
If the study/research project in Austria is to be pursued in English (the written consent of the supervisor is needed), the TOEIC® (Test of English for International Communication) has to be completed successfully. In the areas of listening, reading, speaking, and writing candidates must at least achieve level B2. For more detailed information, please follow https://www.ets.org/toeic Alternatively, the IELTS (level 7) may be used to prove sufficient language skills (https://www.ielts.org)

If the study/research project is pursued in German, one of the following certificates have to be presented: Austrian Language Diploma - ÖSD Zertifikat C1 or comparable tests like TestDaF (Level TDN4/5) or Goethezertifikat (level C1).

The grants will only be awarded for projects that can be completed within the approved period (max. 9 months).

The following documents have to be uploaded during the online application at www.scholarships.at:

- Two letters of recommendation by lecturers of the home university (EPU member institution in China or Mongolia). The recommendation letters do not require a specific form, but must bear the letterhead, date and signature of the person recommending the applicant as well as the stamp of the university/department and must not be older than six months at the time of application.
- Consent of a lecturer at the Austrian host institution (EPU member institution) to academically supervise the applicant.
- Scanned copy of your passport (page with name and photo)
- Scanned copy of your university graduation certificates (Master, PhD or doctoral studies) as well as a German or English translation (appropriate confirmation from the home university (Foreign Office) in English)
- Written consent from the home university (Foreign Office) to the application (in English)
- Complete description of the research project (2-4 pages)

General Information:

- Applicants who seek admission to a university in Austria have to contact the Institution of their choice directly.
- Applicants who come to Austria to conduct research and, therefore, do not need to seek admission to university, have to prove sufficient knowledge of the language they wish to conduct their research in. The consent of the supervisor in Austria is needed.
- Short-term grants (1 to 3 months) have a priority in the period from January to June. In other cases Problems can arise as regards accommodation. When applying for a short-term grant therefore consideration should be given to applying primarily for the period of January to June.
- The selection process for all grants for Austria is competitive, i.e. there is no legal claim to a grant even if all application requirements are fulfilled. The number of grants that will be awarded during one call depends on the quota and/or the available budget. Applicants may apply for several grants at the same time.
- Grant holders must be present at their place of study in Austria to study or conduct their research project.
- A shifting of the duration of your stay in Austria is generally not possible.
- Once an application has been rejected, it will not be considered any further within the call. However, it is possible to re-apply for this grant with a revised application in the future.
- Scholarships are granted for study/research at Austrian Eurasia-Pacific Uninet partner institutions only.
Data protection:
Applicants agree that the personal data provided within their application will be processed diligently on the legal basis of
