### Application form

All forms and information about our application and admission procedure for incoming exchange students can be found at: <https://univlille.moveonfr.com/form/5a8d6a17ef189da64d00000b/eng>  
IMPORTANT: Once completed, students should send the PDF file to [intl-exchange@univ-lille.fr](mailto:intl-exchange@univ-lille.fr)

### Requested documents\*

*\*some other documents are required for health studies*

- Passport
- Learning agreement
- Transcripts of records
- Language proficiency certification

### Language requirements

- Students should provide an official certification or an evaluation of language proficiency from the home university: **B2 level mandatory in the language of education in Lille**

## Acceptation & visa

The decision will be given under 3 weeks after the application deadline. A letter of acceptance will be sent by the host faculty in order to start the procedure for visa.

We advise selected applicants to apply to a Student long stay visa. A minimum financial guarantee will be requested by the embassy (615€ / month)

Once in France, students will have to validate the visa (60€)

## Registration & orientation days

**University registration:** upon arrival by the International Office of the host Faculty.

**Course registration:** upon arrival at the Faculty level. Due to schedule conflicts, some changes may happen. Students have to make sure to validate these changes by the home institution.

**Orientation days:** 1st week of courses, organised by the International Office and ESN Lille

**French course:** a free French course is offered to all exchange students before the beginning of classes and throughout the semester. The extensive course can allow students to validate ECTS credits.

## Housing & cost of living in Lille

Through the application form, students can choose to stay in one of the many university hall of residence. Availabilities are limited. The University of Lille has also partnerships with private organisms and online platforms.
